MEETING WITH ILO

March 5, 2008, Jakarta. Steve Gregory together with Arief Nur Gomo visited the International Labour Organization (ILO) offices. They met with Mrs. Lotte Kejser, Mrs. Eva Deraedt and Mr. Irham Ali Saifuddin. This meeting decided the way SEAFast is going to collaborate with ILO. Starting this month and until August, SEAFast is going to train the SMEs involved with ILO. These additional SMEs

will not, in any way, affect the training sessions SEAFast has scheduled in Yogyakarta, Bali, Kalimantan, Jakarta or Sulawesi.

LIA, MAYA AND RINI TO LEAVE SEAFast

This is the last week as a SEAFast employee for Rini Kurniawati (Office Receptionist), Villia Marliani (Office Administrative Assistant) and Dameria Maya Sofa (Office Administrative Assistant). This is the first step in the process of closing SEAFast office in Bogor and relocating all program functions to SEAFast Center Darmaga. It was a pleasure knowing and working with Rini, Lia and Maya. We wish them the best in the world to come.
